1. Call to order at 7:30 PM.
2. After discussion over e-mail the Corsair 750 Trimaran provisional rating of 15 was increased to 36 based on other PHRF fleet handicap data supplied by Tom Lappin and Jim Rehage. This rating is still provisional.
3. We reviewed the contents of the new PHRF handicapping book for 2007. Ray Shull scanned and distributed the "Terms of Reference" section to the Handicap committee.
4. The committee reviewed and approved 16 immediate ratings given at the Turnback Regatta. They are included in the ratings table at the end of the meeting minutes.

Two renewals were processed with no change in rating and one new boat, A Ross 650 was rated. The Ross was rated 163 at Canyon lake and was given a 162 provisional rating. All ratings on Lake Travis are divisible by 3.

The committee discussed whether or not we wanted to adopt sail measurement conventions such as the INS rule or simpler mid girth measurements. Those present did not see a need for measuring sails but agreed the question should be put to the fleet at the annual meeting.

5. The next meeting will be a working session on July 10
6. The meeting was adjourned at 8:40
