

Happy Spring!

Even though it is April 1<sup>st</sup>, I have a few no-fooling announcements everyone should know...

Coleman announced to the high school program his resignation from AYC. Although we knew Coleman was leaving after his graduation, he decided to resign early. We wish Coleman the best in his future career as an elementary teacher.

In anticipation of Coleman's departure, AYC hired Spencer LeGrande as the new Coach. Spencer started sailing Optis at the age of 8 and then transitioned into Lasers and FJ's. He founded the varsity sailing team at St Michael's high school. In 2016 he won the Texas Sailing Association Friendship Award for sportsmanship and a Corinthian spirit. Spencer will be getting his US Level 1 certification at the end of May so we have US level 1 sailors accompany him with coaching until then. We look forward to having Spencer continue the growth of the AYC junior program.

Here Keith and I have Spencer show off his coach boat skills.

Happy sailing,

Annie Lancaster, 2019 AYC Commodore
