

Entering your Boat's Information in ClubSpot

When you enter your boat in a Series or Regatta, it is important to have your boat class, type, sail number, name (if it exists), and the PHRF rating (if applicable.) This is very important for scoring. The connection between the boat information and your registration in ClubSpot events is a manual process, but just you have to do it once, and then it is part of your registration each time you sign up for a series or regatta at AYC. Most of you have your ratings and boat information in there already, but for those who register and have a zero (or incorrect) rating or incomplete boat information, you have to follow these steps:

Quick First Step: Go to <https://austinyachtclub.theclubspot.com/account/boats>

Detailed Steps:

1. Login to your member account on the AYC website (austinyachtclub.net)
2. Select Clubspot on the far right of the blue menu bar across the top
3. Select My Account on the menu bar that comes up and log in
4. Click on the triple bar in the upper left corner of the page
5. One of the options you have in the drop down menu is Boats – select that!
6. You can add a new boat or select an existing boat to edit.

Then, update Boat Details by clicking on the small pencil & pencil icon.

- Boat Name
- Sail Number
- Class / Type examples include Catalina 25 TM, J24, Ensign, J80, Hobie 16, Diam 24, Sunfish, Beneteau First 27, Pearson 26, Corsair 28R, etc.
- Fleet examples are Catamaran, Diam 24, Ensign, J-PRF, J80, PRF-A, PRF-B, Pearson 26, or Trimaran.
- PHRF (or Portsmouth*) rating for that boat. Look in the [PRF Ratings Page](#) if you do not know your PHRF rating.
- Builder is the Manufacturer, such as J-Boat, Ensign, Pearson, Catalina, Corsair, etc.
- Model. Put in the full model name, such as Pearson 26, J-80, Catalina 22, Ensign, Sunfish, ILCA4, Hobie 16, F28R, Diam 24.

Be sure to scroll down and click update after making any changes.
